

Good Faith Estimate for Non-emergency Services:

In accordance with Indiana Code § 25-1-9.8-18 patients may request an estimate of the amount the patient will be charged for non-emergency medical service provided in our office. The law requires that an estimate be provided within 5 business days of scheduling the nonemergency health service, unless the nonemergency health care service is scheduled to be performed by the practitioner within 5 business days of the date of the patient's request.

If you would like to request a good faith estimate or have any questions regarding a good faith estimate please call Allied Physicians Surgery Center, Patient Accounts Department at (574) 243-9700.
